## How to submit an accident claim

We realize having to submit an insurance claim can be an inconvenience, particularly during what may be a stressful time for you and your family. We're here to help walk you through the claim process, and answer any questions you may have along the way.

#### **STEP 1: COMPLETE AND SUBMIT CLAIM FORM**

Please complete the claim form and submit it at My.WashingtonNational.com. You may also fax or mail in your form along with any other claim documents, using the contact information below. Please make sure to include the date and description of the event and list the providers you are filing for.

#### **STEP 2: RECEIPT OF CLAIM**

#### Within three business days\*

Once your claim documents are received, we'll begin the claim review process. If you submitted your claim via our website, you'll be able to view the claim status within three business days. For other submission methods, please allow additional time for online viewing of your claim status.

#### **STEP 3: CLAIM ASSIGNED**

Your claim will be assigned to a claims associate who will open the claim for review. You will then be able to access the active claim number at My.WashingtonNational.com.

#### **STEP 4: ADDITIONAL INFORMATION**

In order to determine benefit eligibility, we need sufficient proof of loss (e.g., date of accident, accident details and supportive billing documentation). If additional information is needed, we'll continue to reach out to you and your providers to gather it for review. All request letters sent to your providers will also be sent to your home for reference.

#### **STEP 5: CLAIM DETERMINATION**

Once all requested information is received, your claims associate will review the documents and make a decision on your claim. You will receive an explanation of benefits document explaining your benefit eligibility. If you're eligible for benefits, any due payment will be sent via check in the mail.

\*Time frames provided are estimates only, are dependent upon obtaining necessary claim documentation in a timely manner, and may vary based on State regulations.
